

# HP LaserJet Pro 500 color MFP M570dn (CZ271A)

## Overview

**Drive growth with rapid scanning performance and professional quality color.**

Finish jobs faster, produce high-impact color, and get set up and connected quickly.[3,9] Easily print from your smartphone, tablet, or notebook at home, work, or on the go.[2] Conserve resources and recycle used cartridges.[8]

### Expand your performance potential

Increase productivity and finish scanning jobs faster with single-pass, dual-head scanning.

### Set up in a snap and stay connected

### Show off with powerful color

Simplify workflows—access, store, and print business content quickly with a 3.5-inch color touchscreen.[5]

### Help reduce environmental impact

Help save energy with HP Auto-On/Auto-Off Technology, Instant-on Copy, and Instant-on Technology.[6]

---

[3] HP LaserJet 507X Black Toner Cartridge not included; please purchase separately.

[5] Requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [hp.com/go/eprintcenter](http://hp.com/go/eprintcenter)). Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Some HP LaserJet printers may require firmware upgrades.

[6] HP Auto-On and Auto-Off Technology are subject to printer and settings. Instant-on Technology claim based on comparison with products that use traditional fusing. Instant-on Copy claim based on comparison with fluorescent tubes.

[3]Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

[4]Note: ships with preinstalled standard toner cartridges (yield ~5500 black, ~6000 cyan, magenta, and yellow pages)

[8]Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.

[11]Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

[12]HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
