Enjoy Worry-Free Printing

Send a job. Pick up the pages. It should be that simple. Whether you are equipping one small office or an entire network of locations, the RICOH® SP 213Nw delivers on the promise of reliable, energy-efficient and affordable laser printing for every user. Built on Ricoh's proven All-In-One (AIO) print cartridge technology, the SP 213Nw is always ready to go to work when you are. Point-and-click printing is made easy with the intuitive PCL driver, while simple Wi-Fi connectivity means you don't have to worry about complex setup routines. So don't think about printing — just print. The SP 213Nw is an easy call for small offices seeking a dependable, contemporary printing solution.

Get Every Job Done Faster

Your meeting may be in five minutes, but the SP 213Nw prints at a crisp 23 pages per minute to meet every deadline. In fact, the SP 213Nw prints at resolutions up to 1200 x 600 dpi at full speed so you can print eye-catching pages with sharp details and smooth shadows without sacrificing productivity. Its powerful controller lets you get creative with 80 PCL resident fonts for printing in multiple styles. Access to advanced capabilities like watermarks, scaling, page layout and manual duplexing lets you produce stacks of professional documents from your desktop. The SP 213Nw is a great fit for users who are familiar with PCL workflows and are expecting a true business-class feature set.

The Freedom to Print Anywhere, From Anywhere

Your business doesn't have limits. Why should your printer? Choose to print from Windows PCs in the way that best suits your unique needs: via USB 2.0 peer-to-peer connection, hardwired 10/100Base-TX Ethernet network, or embedded IEEE 802.11 b/g/n Wireless LAN. Set it up where it's easy for everyone in the office to share. The versatile SP 213Nw offers one button Wi-Fi setup for simple cable-free printing so you don't have to drag a trail of cords with you every time you need to print. Lightweight and just 6.5" tall, take the SP 213Nw with you to bring efficient laser printing to meetings down the hall or across town — all you need is a power outlet. Ad hoc wireless connectivity allows everyone in the room to print.

Conserve while you print? Absolutely!

The more you print the more you can save. Got lots of short jobs? With the SP 213Nw, you'll wait less and spend less with fast warm up and first print speeds that save time. Do you print several sets of multi-page jobs? Manual duplexing and N-up printing modes conserve paper while Toner Save mode extends supply yields to lower your cost of ownership even more. Need to print on different size media throughout the day? Easily refill or adjust the 150-Sheet Tray between postcard and legal size, or save time with the Single Sheet Bypass. A compact, front access design saves space and lets anyone quickly change the All-In-One print cartridge without help or making a mess. This one-piece supply keeps per-page costs and printer maintenance to a minimum. Plus, the cartridge can be recycled utilizing our prepaid takeback program, so your documents have maximum impact on your readers, not the environment.

System Specifications

Ricoh SP 213Nw	Part # 407587
Main Unit	
Configuration Technology	Desktop Monochrome Laser Printer Electrophotographic printing using AIO Print Cartridge supplies
Warm-up Time	25 seconds or less
1st Print Speed	10 seconds or less
Continuous Print Speed	23 pages per minute (Letter)
Operation Panel	Start/Stop, Job Reset & Wi-Fi hard keys + LED alert indicators
Paper Capacity	150-Sheet Tray + 1-Sheet Bypass Tray = 151 sheets
Duplexing	Manual
Output Capacity	50-sheet top exit (face down) 1-sheet rear exit (face up)
Paper Sizes	Standard Tray: 5.5" x 8.5" to 8.5" x 14", A6 – B5 Custom Sizes: 3.94" x 5.83" – 8.5" x 14" (100 x 148 mm – 216 x 356 mm) Bypass Tray: 5.5" x 8.5" – 8.5" x 14", A6 – B5 Custom Sizes: 3.54" x 5.83" – 8.5" x 14" (90 x 148 mm to 216 x 356 mm)
Paper Weights	14 – 34 lb. Bond (52 – 130 g/m ²)
Paper Types	Thin, Thick, Plain & Recycled papers
Dimensions (WxDxH)	15.8" x 14.2" x 6.5" (402 x 360 x 165 mm)
Weight	15.8 lb. (7.2 kg) (including AIO cartridge)
Power Requirements	120V, 60Hz
Power Consumption	Operating/Standby/Sleep: 376 W / 60 W / 3 W

Printer / Controller Specifications

Memory	128 MB RAM standard/maximum
Printer Languages/Drivers	PCL 6
Fonts	80 PCL fonts
Print Resolutions	1200 x 600 dpi, 600 x 600 dpi
Interfaces	IEEE 802.11 b/g/n Wireless LAN (Ad Hoc & Infrastructure modes), 10/100Base-TX Ethernet, High Speed USB 2.0 Type B
